

# SDI TASK: Activity Log

You are going to record what you do in this course in a way that also encourages collaboration with others. This is required for assessment.

**TO DO:** Begin Micro-blogging...

- **Register** a nickname at **Twitter** – [www.twitter.com](http://www.twitter.com) Click ‘**Join the conversation!**’
  - Set up your profile with a picture, a design and the correct time zone (+10GMT).
  - Go to [twitter.com/regor2012](http://twitter.com/regor2012) and click ‘**Follow**’ (Roger Stack)
  - Go to [twitter.com/ruby2](http://twitter.com/ruby2) and click ‘**Follow**’ (Heather Banks)

- **Follow some people in the class** – particularly if you are working in the same project team or doing a similar topic.
- In less than 140 characters **say what you are doing** that is related to this course **AT LEAST ONCE A WEEK**
- **Eg “I’m learning to use twitter for SDI”**
- NB Twitter is a service for professional collaboration **not chat**.
- **You can publicly reply to ‘tweets’ by using the ‘@’ symbol**  
Eg If regor2012 says “I’m teaching students how to do micro-blogging” then you may reply “@regor2012 that sounds very useful”
- **You can also Direct Message someone privately** by clicking on ‘Message’ on their Twitter page.
